Logan Library Collection HCC408
Schreiner Mansion Collection

Descriptive Summary

Creator: Hill Country Preservation Society
Title: Schreiner Mansion Collection
Dates: 1870s-1990s

Creator Abstract: The Hill Country Preservation Society was formed by Josephine (Dodo) Schreiner Parker and others to protect local history through the establishment of the Schreiner Mansion Museum. The museum's collection and society records were given to Schreiner University after her death with the dissolution of the society.

Content Abstract: Its contents include Identification: HCC408
Language: Materials are in English, German, Latin, and French.
Repository: Schreiner University, Logan Library Special Collections

Scope and Content Note

Items in this collection were donated by the Schreiner family, Kerrville residents, and local businesses for museum exhibition at the Schreiner Mansion Museum until it's closing in 2005. Logan Library preserved many of the records, photographs, portraits and other items before transferring ownership of the museum building to the Cailloux Foundation. This collection includes objects from local businesses and extensive records Schreiner family businesses along with personal items and other objects significant to the history of Kerrville and the surrounding areas.

Arrangement of Collection

This collection is arranged by materials and size.

Restrictions
Access Restrictions: Access is limited and supervised due to the age and condition of these items. This collection is open for research by appointment.

Usage Restrictions: The researcher assumes full responsibility for observing all copyright, property, and libel laws as they apply.
